ADMISSION AND ENROLMENT POLICY

PLEASE NOTE: Following consultation with the parents and previous school, the BOM will decide if a place may be offered immediately or whether it would be more appropriate to wait until the beginning of the next school year. The school may postpone a decision on enrolment of a student pending a report from his previous school and/or from an appropriate psychological or medical professional.

PUPILS WITH SPECIAL NEEDS

St.Brigid's welcomes application for enrolment of pupils with special needs. However, the school is conscious that, without suitable resources, we cannot provide an appropriate education/environment for all special needs pupils. Suitable provisions must be in place when a student enters the school and throughout her attendance at the school. Each application is dealt with on its' own merits. To help the school ensure that this is achieved it will be essential that parents:

- Inform the school if your child has identified special educational needs or if there are concerns about any aspect of your child's development that might be relevant to the school. This will assist the school to ensure that suitable educational/assistive technology/teaching/care needs resources are sought to support the child's needs.
- Provide up-to-date psychological/medical reports, as appropriate. The purpose of assessment reports is to assist the school in establishing the educational needs of the child relevant to his/her disability or special needs and to profile the support services required. Where the BOM deems that further resources are required it will make an application (with the consent of parents) to the National Council for Special Education (NCSE) and/or Department of Education and Skills (DES) to seek the provision of resources to meet the needs of the child as outlined in the psychological and/or medical or other report.

The BOM will provide children with special educational needs with additional educational and/or care support in accordance with the level of resources provided by the DES and guidelines in relation to the deployment of these resources.

CONFIRMATION OF A PLACE

1. **Round 1 Offers of Enrolment** for junior infant's classes will be notified to parents in writing (to the address on the enrolment application form) by the end of February. Acceptance of a place must be confirmed in writing by the parents and the requested documentation (as outlined in the offer letter) submitted to the school within the stated time frame.
2. **Round 2 and Subsequent Offers of Enrolment** will be notified to parents (normally during March, April, May, June) if places become available due to non-acceptance of Round 1 offers. The BOM may impose a final cut-off date and parents who cannot be offered places will be informed at this stage.
3. Parents of pupils who accept school places for junior infants will be invited to an Information Meeting in the school normally in mid/late May. It is important that parents attend this meeting.
